## ABOUT THE WORKPLACE PROGRAM

We are excited to announce the launch of Choose Love for the Workplace! This unique and flexible program is designed to offer essential life skills that leaders and employees can utilize immediately to improve their lives, both personally and professionally. By popular demand, we offer programming to strengthen interpersonal relationships, foster a more cohesive workforce, and empower individuals and teams with a solution that results in a safer, more peaceful and loving world. Our programming includes:

- Positive Psychology
- Emotional and Social Intelligence (ESI)
- Resilience

## PROFESSIONAL BENEFITS

- Promotes connection, resilience, and compassion
- Provides leadership training
- Cultivates connection
- Builds and strengthens culture
- Empowers employees in their professional AND personal lives
- Promotes workplace safety
- Increases employee retention and job satisfaction
- More engaged, focused, and innovative workforce
- Cohesive, effective, high-performing teams

## PERSONAL BENEFITS

- Improves ESI
- Increases productivity
- Improves resilience
- Empowers through response vs reaction
- Guides human flourishing
- Higher job satisfaction
- Helps decrease burnout
- Heightens courage and confidence

**This program will help support our NO COST, essential life skills programming in the schools, homes, and communities in YOUR backyard.**
